

Smart X

BionicBarista

Born for Excellence

The Smart X series replicates barista workflow with top-tier technology, emulating the artistry of elite baristas. Grinding, weighing, levelling, tamping, and extraction — every step is intelligently engineered to deliver an exceptional coffee experience. Built on a die-cast unibody frame with a fully modular design, Smart X redefines excellence: versatile, durable, and ready for high-demand environments.

10.1" true-colour touch screen

CayeFoam+ milk foam outlet / separate hot water dispenser (optional)

SuperMix Automatic milk frothing technology (optional)

Up to 3 high-performance grinders
CPS long-lasting grinding burrs
